6th Annual Heartland CASA Coffee Crawl

Brewing Hope for Kids in Care.

Friday, February 27 - Saturday, February 28

Coffee with a Purpose

Why your participation matters.

Children enter foster care through no fault of their own, often facing uncertainty, frequent changes, and major decisions made about their lives in a very short amount of time. During this process, many children lack one consistent adult to listen to them and give them a voice in decisions that shape their future.

Heartland CASA (Court Appointed Special Advocates) exists to ensure children in foster care are not navigating the court system alone. CASA volunteers are appointed by a judge to provide independent, informed advocacy and to remain with a child's case until it is resolved. Their role is to listen, observe, and speak up—so judges have the information they need to make decisions in a child's best interest.

For many children, a CASA volunteer becomes the one steady presence throughout their case, providing clarity and stability during an otherwise uncertain time.

Your participation in the Heartland CASA Coffee Crawl raises awareness and helps Heartland CASA recruit, train, and support volunteers—so more children in Macon, DeWitt, Christian, and Moultrie Counties have a voice, a dedicated advocate focused solely on their well-being, and a clearer path toward safe, permanent, loving homes where they can thrive.

Thank you for participating in the 6th Annual Heartland CASA Coffee Crawl. *Brewing hope one child at a time.*
